Friends  
of Hull Phil

# The Friends of Hull Phil help us to secure a vibrant future for the orchestra.

The Friends of Hull Phil ensures that Hull Philharmonic Orchestra concerts are enjoyed for many years to come. They play a vital role in supporting the performance of live classical music, young talent and the artistic and cultural life of the City of Hull and wider region.

The bronze, silver and gold memberships carry a great range of benefits, including free tickets at some levels, the opportunity to sponsor individual concert expenses, the chance to watch the orchestra at work, to meet its members, and even to conduct it for part of a rehearsal!

Joining Friends of Hull Phil automatically makes you a member of the Hull Philharmonic Society – the registered charity that supports the Hull Philharmonic Orchestra and looks after the Friends of Hull Phil scheme.

We want more people to become involved in the future of the orchestra. Therefore, joining the new scheme will

give you the right to nominate one 'friend' to become a member of the society's executive committee and to represent the interests of the Friends of Hull Phil at its meetings.

This is a great society which has supported an orchestra with more than 130 years of history. Our journey continues with assistance from people like you: join us on the road!

If you would like to join Friends of Hull Phil, please complete the enclosed application form.

It would help us greatly if you also complete a standing order mandate and share your e-mail address with us. E-mail gives us a quicker and cheaper way of keeping in touch with you. Your e-mail address will only be used for our communications with you, and will not be passed on to any person or organisation outside the society.
